### **NYC Small Business Continuity Loan Fund**

This loan program is for businesses that demonstrate that the COVID-19 crisis has caused at least a 25% decrease in revenue. The business must reside within the five boroughs of NYC, employ ninety-nine or less employees. To qualify for this program, the business must not have any outstanding tax liens or legal judgements and be able to demonstrate that they are able to repay the loan. Eligible businesses may be eligible for zero interest loans of up to \$75,000 to help retain employees and ensure business continuity.

More details on this program can be found at
